In one game there are many.  
It is meaningless to be alone.  
No one can live without the  
others.

Tall or short,  
clear or dark,  
plain or decorated,...

each one has it nature  
each one gives its contribution.

They move according to the rules.

They meet, they fight, they align, they get promoted or eliminated...

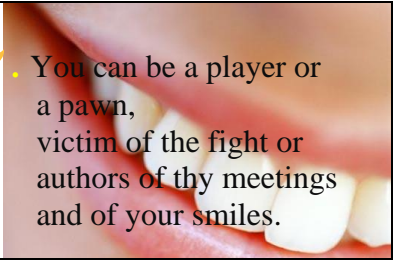

They can give anger or smile to whom they align, which moves them.

They move them to meet or to fight.

You can be a player or a pawn, victim of the fight or authors of thy meetings and of your smiles.
