A web by the bed.
Woven by a magic spider.

A web that filters dreams by imprisoning the bad ones and freeing the good ones.

A maze of paths tied together by knots.

Among these a path to connect Earth and sky.

At each intersection you have a knot to overcome, a choice to make.

And dreams guide you,
you dominate them or you let them dominate you...
...it's your choice.

Let yourself slide down, or choose to climb to infinity.
